BY THE COMMISSION:

O P I N I O N A N D F I N D I N G S

The Commission, on an annual basis, has given the staff authorization to disburse Nebraska Universal Service Fund (NUSF) support to qualifying Nebraska eligible telecommunications carriers (NETCs) pursuant to methodology set in place by the Commission.

Last January, the Commission gave authorization to the staff to make disbursements up to \$40.4 million in high-cost wireline support for the calendar year of 2013. The Commission hereby modifies its January 8, 2013 Order and authorizes its staff to pay up to \$40,402,000 in high-cost wireline support, which includes support authorized for carriers in the Commission's NUSF-7 waiver orders, pursuant to the model adopted by the Commission in NUSF-26 as modified by the Commission Order issued in NUSF-50 on December 19, 2006. This authorized amount also includes support which should be disbursed to designated competitive local exchange carriers (CLECs) in compliance with the Commission's CLEC orders. This change is due to an access rate settlement which caused a carrier to file a revised NUSF-EARN form.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the staff be authorized to make high-cost program disbursements for calendar year 2013 as described above.
