BY THE HEARING OFFICER:

On May 3, 2010, the Commission held an implementation workshop in the above-captioned docket. At the workshop, the interested parties discussed the various alternatives for implementation of the Commission's findings in its October 10, 2007 Order. At the workshop, Qwest volunteered to gather further information about using municipal tax boundaries and share that information with the Commission and interested parties.

Based on the discussion at the initial workshop, I find that a second workshop should be scheduled on **June 24, 2010** at 1:00 p.m. in the Commission Hearing Room, 300 The Atrium Building, 1200 N Street, Lincoln, Nebraska, so that the interested parties may have an opportunity to discuss that information and to discuss the next phase in the progression schedule. Qwest should provide the Commission and interested parties with the information it gathered on or before **June 16, 2010**, so that the Commission and the parties are able to have a meaningful discussion at the next workshop.
