established in NUSF-26.)
) Entered: March 23, 2006

BY THE HEARING OFFICER:

On March 23, 2006, AT&T Communications of the Midwest, Inc. and TCG Omaha (collectively AT&T) filed a motion requesting an extension of time to file comments in the above-captioned proceeding. Comments are currently due on March 24, 2006. AT&T requests that the initial comment deadline be extended to April 14, 2006.

In consideration of the motion filed and the reasons given by AT&T, I find the motion should be granted and all interested parties may have until April 14, 2006 to file initial comments in this proceeding. Those filing comments prior to this deadline may supplement their initial comments on or before the April 14, 2006 deadline. For the benefit of commenters receiving this order after comments have been prepared, comments filed with the Commission earlier than the extended deadline will not be posted on the Commission's website until April 14, 2006.

O R D E R

IT IS THEREFORE ORDERED by the Hearing Officer in the above-captioned matter that AT&T's motion is hereby granted and the comment deadline shall be extended to April 14, 2006.
