On October 3, 2006, the Nebraska Public Service Commission (Commission) entered Progression Order No. 1 in the above-captioned docket establishing a procedure for administering the Telehealth Program and making adjustments to the approved Telehealth Plan. On April 3, 2006, the Director of the Nebraska Telecommunications Infrastructure and Public Safety Department (NTIPS Department) recommended a change in funding allocation be made for St. Elizabeth Regional Medical Center's T-1 connection pursuant to a letter received by the Commission requesting such a change.

Attachment "A", which is appended to this order and fully incorporated herein, describes the change requested and recommended for approval by the NTIPS Director. Attachment "A" represents a change from the Telehealth Plan approved by the Commission on June 13, 2006 in Application NUSF-26. The Commission enters this Order as a record of such approval and change in funding allocation.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the funding allocation change requested shall be and it is hereby approved as described in Attachment "A" to this Order.
