BY THE HEARING OFFICER:

O P I N I O N A N D F I N D I N G S

On October 31, 2013, Charter Communications, Inc. ("Charter") filed a Motion in Limine seeking an order from the Commission permitting Charter to offer aerial maps as confidential exhibits at the hearing in the above-captioned matter. The aerial maps were attached to its pleading and marked as confidential. A Responsive Motion in Limine was filed on November 4, 2013, by Citizens Telecommunications Company of Nebraska d/b/a Frontier Communications of Nebraska ("Frontier"), seeking the ability to introduce the Frontier Project Contour Map attached to its pleading if Charter's Motion in Limine were granted. In the alternative, Frontier asked that the Commission deny Charter's Motion in Limine.

Based on the statements made in the Motions filed in this matter, I am of the opinion and find that both Motions in Limine should be granted.

IT IS SO ORDERED.

MADE AND ENTERED at Lincoln, Nebraska this 5th day of November, 2013.
