BY THE HEARING OFFICER:

On September 25, 2018, the Nebraska Public Service Commission (Commission) opened this docket to determine whether Green Acres MHP, LLC, (Respondent) is a private water company subject to Commission regulation, and, if so, to determine what steps Respondent must take to come into compliance with Commission requirements.

Pursuant to the order opening this docket, the Commission required Respondent to provide written answers to eight questions, which were set forth in the Order opening investigatory docket. These questions were due to the Commission by Friday, October 12, 2018.

On October 11, 2018, counsel for Respondent notified the Commission that it would be unable to provide written responses by the deadline of Friday, October 12, 2018, and requested an extension of the deadline until Wednesday, October 17, 2018.

Being fully advised in the premise, I find that the Respondent's request for an extension should be granted and the deadline previously set for October 12 be continued. The responses to the written questions set forth in the Order opening investigatory docket are hereby due from Respondent on or before **October 17, 2018, at 5:00 p.m. CDT**. Service of the responses may be accomplished by sending an electronic copy of the filing via electronic mail to susan.horn@nebraska.gov and sallie.dietrich@nebraska.gov, so long as all parties are served via electronic mail contemporaneously with the email filing and a paper copy of the filing is received by the Commission within three (3) days of the electronic filing.
