O P I N I O N A N D F I N D I N G S

Applicant is a common carrier authorized to transport passengers by bus in special party service between points in Lincoln County over irregular routes. Applicant is seeking an Order from the Commission which would grant both a change to its dba as well as add several counties to their service territory.

In regards to its name change application, Applicant states that it currently provides services under the dba of The Party Bus and wishes to change its dba to NP Party Bus. Applicant has received authority from the Nebraska Secretary of State to use the new name, and no other aspect of the organization has changed. Based on the evidence presented, the Commission finds that the application as it relates to the name change is in the public interest and should be granted.

In regards to the request for extension of authority, Applicant is seeking to add several counties to its current service territory. Upon consideration of Applicant's filing and the files and records of the Commission relative to Applicant and being fully advised in the premises, the Commission is of the opinion and finds:

1. Applicant is fit, willing, and able to properly perform the proposed service, and to conform to the provisions of Neb. Rev. Stat., sections 75-301 to 75-322, (Reissue 2018), and the requirements, rules and regulations of the Commission thereunder.
