carriers providing ground)
transportation for passengers)
at Eppley Airfield.) Entered: September 9, 2020

BY THE HEARING OFFICER:

On September 1, 2020, the Nebraska Public Service Commission ("Commission"), on its own motion, opened the above-captioned docket to investigate the implementation of a proposed ground transportation fee assessed by the Omaha Airport Authority ("OAA") to certificated and permitted carriers that provide ground transportation for passengers to and from Eppley Airfield in Omaha, Nebraska.

In its September 1st Order, the Commission scheduled a joint workshop with the OAA for October 5, 2020. It was determined that the workshop should be rescheduled. Therefore, I find that the workshop previously scheduled for October 5, 2020 should be rescheduled for Wednesday, October 7, 2020 at 1:30 p.m. at Eppley Airfield Conference Center Platte Room, Main Terminal Building 2nd Floor, 4501 Abbott Drive, Omaha, Nebraska 68110. Those attending in person may park in the terminal parking garage and receive a validation ticket at the meeting. As seating will be limited, remote participation is encouraged via WebEx using the following information:
