On May 5, 2020, the Commission entered an Order granting the application; however, Applicant never finalized its approval by complying with Neb. Rev. Stat. §§ 75-305 (fees), 75-307 (insurance), and 75-308 (rates) (Cum Supp. 2020), and with the rules and regulations of the Commission. Commission staff attempted to contact Applicant by mail, email, and telephone regarding the required compliance documents but received no communication regarding the application. On January 12, 2021, the Commission entered an Order of Pending Dismissal requiring Applicant to contact the Commission no later than January 28, 2021, or the application would be dismissed.

Subsequent to the issuance of the January 12, 2021 Order, Applicant informed Commission staff via telephone that it wished to withdraw its application. Commission staff requested the withdrawal request be filed in writing. To date, Applicant has not submitted the withdrawal request in writing, but has left a voicemail message expressing its desire to no longer pursue its application.

After due consideration and being fully advised in the premises, the Commission is of the opinion and finds that Application No. B-2011 should be dismissed.
