BY THE COMMISSION:

On January 6, 2022, Camelot Transportation, Inc. ("Applicant"), Kearney, filed an application for authority to amend its rates and charges by establishing a rate for transportation within Douglas and Sarpy Counties. Emergency action is requested.

OPINION AND FINDINGS

Applicant is a Nebraska Corporation with its principal place of business in Kearney, Nebraska. Applicant is a certificated carrier that holds Certificate B-1802. The Certificate authorizes Applicant to provide transportation of passengers between all points in Nebraska over irregular routes. The transportation of railroad train crews is not authorized, and HHS Designation is yes.

Applicant is seeking to amend its existing rates previously granted under Docket B-1802.01r by adding an "in town & metro" rate of \$45.00 for transportation provided within Douglas and Sarpy Counties.¹ Transportation provided in the remaining areas of Nebraska would fall under Applicant's current statewide rates.

According to Applicant, the proposed rate addition is necessary due to its contractual relationship with the State of Nebraska Department of Health and Human Services ("NDHHS") to properly bill for the services. A review of Applicant's proposed rate in comparison to rates offered by similar carriers for similar services finds that the proposed rate is reasonable.

In applications such as these, the Commission must find that an emergency situation exists. Such a situation exists in this Application as Applicant should be placed in a position to receive reimbursement for its NDHHS transportation in an appropriate manner. Therefore, the Commission finds that an emergency basis exists that allows the Commission to grant the application on an emergency basis.

Upon consideration of the application and being fully advised in the premises, the Commission is of the opinion and finds that the application should be granted on an emergency basis effective February 8, 2022. Camelot Transportation's complete list of approved rates and charges are attached to this Order as Appendix A.
