Neb. Rev. Stat. § 75-315 provides that a certificate or permit may be suspended, changed, or revoked by application of the certificate or permit holder or on the Commission's own motion after a hearing is properly noticed and held. Testimony at the January 25 hearing and communications held with the Applicant illustrated My Princess' Limo Services was having difficulties in providing its services. Thus, hindering its ability to comply with annual renewal requirements under § 75-305. My Princess' Limo Services filed its suspension request on February 11, 2022. The Commission's February 1, 2022 Order in Docket MT-0001.02 determined that My Princess' Limo Services' request to suspend its authority should be granted and that a separate Order would be entered. Therefore, this Order shall serve to memorialize the finding the Commission's February 1, 2022 Order. The Certification of Public Convenience and Necessity held by My Princess' Limo Services, LLC, should be suspended until May 23, 2023. My Princess' Limo services will need to come into compliance with all Commission requirements either on or before the end of the suspension period or make other arrangements with the Department regarding its authority. Failure to do so may result in further Commission action.
