BY THE COMMISSION:

OPINION AND FINDINGS

By application filed December 17, 1990, CABCO, Inc., Scottsbluff, Nebraska, hereinafter referred to as Applicant, seeks approval of the acquisition of the operating rights and authority in Application No. B-1221, of Melvin L. Curtis, dba Thrifty Cab Co., whose certificate of public convenience and necessity authorizes:

SERVICE AUTHORIZED:

Passengers and their baggage between points in Scotts Bluff County over irregular routes. Restriction: Restricted against the transportation of railroad train crews and their baggage.

In its application, Applicant further requested that this Commission grant temporary approval to the Applicant of a lease of the motor carrier properties and the certificate sought to be acquired by it. Notice of such request for temporary authority was published in The Daily Record, Omaha, Nebraska, on December 18, 1990, pursuant to the rules and regulations of this Commission pertaining to notice.

It appears that failure to grant temporary approval may result in destruction of or injury to such motor carrier property and the certificate sought to be acquired, or interfere substantially with their future usefulness in the performance of adequate and continuous service to the public.

Such temporary approval should be granted for ninety (90) days from the effective date of this Order pursuant to §75-319, R.R.S. 1943, as amended.

O R D E R

IT IS, THEREFORE, ORDERED by the Nebraska Public Service Commission that the application for approval of a lease of the motor carrier properties and the certificate sought to be acquired by CABCO, Inc., Scottsbluff, Nebraska be, and it is hereby, granted to the Applicant for ninety (90) days from the effective date of this Order.

MADE AND ENTERED at Lincoln, Nebraska this 3rd day of January, 1991.
