OPINION AND FINDINGS

By application filed October 1, 1991, Ronald D. Allgood, dba Tree City Cab Company, Nebraska City, Nebraska, hereinafter referred to as Applicant, seeks approval of the acquisition of the operating rights and authority in Application B-1295, James L. Petro, dba Tree City Cab Company whose Certificate of Public Convenience and Necessity authorizes the transportation of:

SERVICE AND ROUTE OR TERRITORY AUTHORIZED:

Passengers and their baggage by taxicab between points in Otoe County and between points in Otoe County, on the one hand, and, on the other hand, points in Nebraska over irregular routes. Restrictions: No transportation of passengers and baggage by taxicab in the city of Falls City and vicinity and from Richardson County to points in Nebraska and from points in Nebraska to Richardson County, is authorized. No transportation of railroad train crews is authorized.

In its application, Applicant further requested that this Commission grant temporary approval to the Applicant of a lease of the motor carrier properties and the certificate sought to be acquired by it. Notice of such request for temporary authority was published in The Daily Record, Omaha, Nebraska, on November 7, 1991, pursuant to the rules and regulations of this Commission.

It appears that failure to grant temporary approval may result in destruction of or injury to such motor carrier property and the certificate sought to be acquired, or interfere substantially with their future usefulness in the performance of adequate and continuous service to the public.

Such temporary approval should be granted for ninety (90) days from the effective date of this Order pursuant to §75-319, R.R.S. 1943, as amended.

Allgood, dba Tree City Cab Company, Nebraska City, Nebraska be, and it is hereby, granted to the Applicant for ninety (90) days from the effective date of this Order.
