BY THE COMMISSION:

OPINION AND FINDINGS

By application filed January 17, 1992, Limo One, Inc., dba Old Market Limousine, Papillion, Nebraska, hereinafter referred to as Applicant, seeks approval of the acquisition of the operating rights and authority in Application B-1167, Old Market Limousine Service, Inc., whose Certificate of Public Convenience and Necessity authorizes the transportation of:

SERVICE AND ROUTE OR TERRITORY AUTHORIZED:

Passengers and their baggage in luxury or stretch limousines, or service in antique or classical automobiles, between points in Omaha, Nebraska, and between points in Omaha, Nebraska, on the one hand, and, on the other hand, points throughout the State of Nebraska.

In its application, Applicant further requested that this Commission grant temporary approval to the Applicant of a lease of the motor carrier properties and the certificate sought to be acquired by it. Notice of such request for temporary authority was published in The Daily Record, Omaha, Nebraska, on January 22, 1992, pursuant to the rules and regulations of this Commission.

It appears that failure to grant temporary approval may result in destruction of or injury to such motor carrier property and the certificate sought to be acquired, or interfere substantially with their future usefulness in the performance of adequate and continuous service to the public.

Such temporary approval should be granted for ninety (90) days from the effective date of this Order pursuant to §75-319, R.R.S. 1943, as amended.

O R D E R
