BY THE COMMISSION:

OPINION AND FINDINGS

By application filed June 20, 1996, Renzenberger, Inc., Shawnee, Kansas, hereinafter referred to as applicant, seeks approval of the acquisition of the operating rights and authority granted to Transportation Service, Inc. in Permit B-1029 which authorizes:

SERVICE AND TERRITORY AUTHORIZED:

Transportation of Burlington Northern railroad service crews between points within a 300-mile radius of Alliance over irregular routes.

In its application, applicant further requested that this Commission grant temporary approval to the applicant of a lease of the motor carrier properties and the permit sought to be acquired by it. Notice of such request for temporary authority was published in The Daily Record, Omaha, Nebraska, on June 21, 1996, pursuant to the rules and regulations of this Commission.

It appears that failure to grant temporary approval may result in destruction of or injury to such motor carrier property and the permit sought to be acquired, or interfere substantially with their future usefulness in the performance of adequate and continuous service to the public.

Such temporary approval should be granted for ninety (90) days from the effective date of this Order pursuant to §75-319, R.R.S. 1943, as amended.

O R D E R

IT IS, THEREFORE, ORDERED by the Nebraska Public Service Commission that the application for approval of a lease of the motor carrier properties and the permit sought to be acquired by Renzenberger, Inc. be, and it is hereby, granted to the applicant for ninety (90) days from the effective date of this Order.

IT IS FURTHER ORDERED that transportation service rendered under such temporary authority shall be subject to the provisions of §75-101 to §75-801, R.R.S. 1943, as amended, and to the rules, regulations and requirements of the Commission; such grant of
