BY THE COMMISSION:

OPINION AND FINDINGS

By application filed October 18, 1995, Welch Implement Co., York, Nebraska, hereinafter referred to as applicant, seeks approval of the acquisition of the operating rights and authority granted to Dennis & Connie Nuttelman, dba C J Coaches in Certificate B-1349 which authorizes:

SERVICE AND TERRITORY AUTHORIZED:

Passengers and their baggage by limousine between origin points in Polk and York counties, on the one hand, and, on the other hand, points in Polk, York, Merrick, Butler, Platte, Hamilton, Hall, Seward, Lancaster, and Douglas counties over irregular routes. Restriction: Transportation of railroad train crews and their baggage is not authorized.

In its application, applicant further requested that this Commission grant temporary approval to the applicant of a lease of the motor carrier properties and the certificate sought to be acquired by it. Notice of such request for temporary authority was published in The Daily Record, Omaha, Nebraska, on October 19, 1995, pursuant to the rules and regulations of this Commission.

It appears that failure to grant temporary approval may result in destruction of or injury to such motor carrier property and the certificate sought to be acquired, or interfere substantially with their future usefulness in the performance of adequate and continuous service to the public.

Such temporary approval should be granted for ninety (90) days from the effective date of this Order pursuant to §75-319, R.R.S. 1943, as amended.

O R D E R

IT IS, THEREFORE, ORDERED by the Nebraska Public Service Commission that the application for approval of a lease of the motor carrier properties and the certificate sought to be acquired by Welch Implement Co. be, and it is hereby, granted to the applicant for ninety (90) days from the effective date of this Order.

IT IS FURTHER ORDERED that transportation service rendered under such temporary authority shall be subject to the provisions of §75-101 to §75-801, R.R.S. 1943, as amended, and to the rules, regulations and requirements of the Commission; such grant of
