OPINION AND FINDINGS

By application filed October 1, 2002, National Arbor Day Foundation, Lincoln, Nebraska, hereinafter referred to as applicant, seeks approval of the acquisition of the operating rights and authority granted to AMFAC Recreational Services, Inc., dba Lied Conference Center in Permit B-1502 which authorizes:

SERVICE AND TERRITORY AUTHORIZED:

Transportation of passengers by van between points in Otoe County and between points within said county, on the one hand, and, on the other hand, points in Nebraska under continuing contracts with the Lied Conference Center.

RESTRICTION: The transportation of railroad train crews and their baggage is not authorized. Transportation passengers shall be only registered guests at the Lied Conference Center.

In its application, applicant further requested that this Commission grant temporary approval to the applicant of a lease of the motor carrier properties and the certificate sought to be acquired by it. Notice of such request for temporary authority was published in The Daily Record, Omaha, Nebraska, on October 3, 2002, pursuant to the rules and regulations of this Commission.

It appears that failure to grant temporary approval may result in destruction of or injury to such motor carrier property and the certificate sought to be acquired, or interfere substantially with their future usefulness in the performance of adequate and continuous service to the public.
