BY THE COMMISSION:

OPINION AND FINDINGS

By application filed May 13, 2011, Windstar Lines, Inc., Carroll, Iowa, hereinafter referred to as applicant, seeks approval of the acquisition of the operating rights and authority granted to Kincaid Coach Lines, Inc., in Certificate B-1619 which authorizes:

SERVICE AND TERRITORY AUTHORIZED:

COMMON: Bus service in the transportation in a special party and charter bus operation between points within a 150 mile radius of Lincoln and points within a 150 mile radius of Lincoln and points in Nebraska over irregular routes. RESTRICTION: All bus operations must originate and terminate within a 250 mile radius of Lincoln, and the transportation of railroad train crews and their baggage is not authorized. CONTRACT: Passengers by bus between points in Lancaster County over regular and irregular routes under continuing contract(s). RESTRICTION: The transportation of railroad train crews and their baggage is not authorized. HHS Designation: No.

In its application, applicant further requested that this Commission grant temporary approval to the applicant of a lease of the motor carrier properties and the certificate sought to be acquired by it. Notice of such request for temporary authority was published in The Daily Record, Omaha, Nebraska, on June 9, 2011, pursuant to the rules and regulations of this Commission.

It appears that failure to grant temporary approval may result in destruction of or injury to such motor carrier property and the certificate sought to be acquired, or interfere substantially with their future usefulness in the performance of adequate and continuous service to the public.

Such temporary approval should be granted for ninety (90) days from the effective date of this Order pursuant to Neb. Rev. Stat. (Reissue 2003), section 75-319.
