BY THE COMMISSION:

On September 13, 2010, an application was filed by MTBW, LLC d/b/a TherAnBac ("Applicant"), North Platte, seeking authority as a common carrier in Nebraska intrastate commerce in the transportation of passengers and their baggage in limousine service in open class service, and in charter bus service between points in Lincoln County, and between points in Lincoln County, on the one hand, and, on the other hand, points in Nebraska over irregular routes. The transportation of railroad train crews and their luggage is not authorized, and the HHS Designation is no. The application was granted on December 14, 2010; however, Applicant never finalized its approval by filing the required fees, insurance and rates with the Commission.

The Commission has attempted to contact Applicant by mail and telephone regarding the requirements to finalize its application. On November 1, 2016, the Commission entered an order of pending dismissal requiring Applicant to take action on its application by November 14, 2016, or the application would be dismissed. To date, Applicant has not contacted the Commission nor complied with the requirements to file its rates, fees and insurance.

Based on the above, the Commission finds that Application No. B-1780 for MTBW, LLC d/b/a TherAnBac, North Platte, should be dismissed for failure to take timely action.
