Because no protests were filed, Application B-1788 will be processed pursuant to Rule 018.03 of the rules of procedure of the Commission.

The Commission's authority over common carriers in charter service is governed in part by federal law, which restricts States from enacting or enforcing any law, rule, regulation, standard, or other provision having the force and effect of law relating to the authority to provide intrastate or interstate charter bus transportation. See 49 U.S.C. § 14501. Federal law further provides that States are not restricted from exercising safety regulatory authority with respect to motor vehicles, and may regulate motor carriers with regard to minimum amounts of financial responsibility relating to insurance requirements and self-insurance authorization. After due consideration of the evidence and being fully advised in the premises, the Commission is of the opinion and finds:
