OPINION AND FINDINGS

By application filed March 24, 2015, Tailored Dreams Limousine and Sedan Service, Lincoln, Nebraska, hereinafter referred to as Applicant, seeks to operate as a common carrier of passengers by motor vehicle as follows:

CERTIFICATE SOUGHT

Transportation of passengers in charter and special party bus service between points within a 150 mile radius of Lincoln, Nebraska, and between points within such radius, on the one hand, and, on the other hand, points in Nebraska over irregular routes. RESTRICTION: The transportation of railroad train crews and their baggage is not authorized. HHS Designation: No.

Notice of the application was published in the Daily Record, Omaha, Nebraska, on March 26, 2015, pursuant to the rules of the Commission.

Because no protests were filed, Application B-1799 will be processed pursuant to Rule 018.03 of the rules of procedure of the Commission.

The Commission's authority over common carriers in charter service is governed in part by federal law, which restricts States from enacting or enforcing any law, rule, regulation, standard, or other provision having the force and effect of law relating to the authority to provide intrastate or interstate charter bus transportation. See 49 U.S.C. § 14501. Federal law further provides that States are not restricted from exercising safety regulatory authority with respect to motor vehicles, and may regulate motor carriers with regard to minimum amounts of financial responsibility relating to insurance requirements and self-insurance authorization.
