By order entered March 4, 2014, City Taxi, Inc. ("City Taxi"), Carter Lake, Iowa, was granted an amended Certificate of Public Convenience and Necessity to operate as a common carrier of passengers by motor vehicles as follows:

CERTIFICATE AUTHORIZED

SERVICE AND TERRITORY AUTHORIZED: COMMON: Transportation of passengers and their baggage by taxi and wheelchair equipment vans east of 72nd Street in Douglas County, and between points within said county east of 72nd Street, on the one hand, and, on the other hand, points in Douglas County over irregular routes: all transportation to begin or end in the area of Douglas County east of 72nd Street. RESTRICTION: Restricted to no more than fifteen (15) vehicles in fleet; no more than ten (10) taxis in service at any given time; and no more than five (5) taxis may service the taxi feeder line from Eppley Airport at any one time. RESTRICTION: This Supplement 1 shall be for a period of 10 years from the date of approval and shall not be modified or amended to expand the authority contained herein.

Subsequent to the entry of the order, City Taxi and Happy Cab Company, Yellow Cab Company, Checker Cab Company, DonMark, Inc., dba Cornhusker Cab Company, and Valor Transportation Company dba Safeway Cab Company ("Omaha Cab Companies", together with City Taxi, "parties") informed the Commission that the language agreed upon for the Certificate did not correctly reflect the intention of the parties. The parties stated that the Certificate language could be interpreted to mean that City Taxi's authority would expire in ten years. Clarifying language was submitted to the Commission to amend the restrictive section of the Certificate only.

Based upon the above, the Commission finds that the Certificate of Public Convenience and Necessity granted to City Taxi, Inc., Carter Lake, Iowa, should be amended. The restriction
