BY THE COMMISSION:

OPINION AND FINDINGS

By application filed July 12, 2011, Camelot Transportation dba Prince of the Road, Kearney, Nebraska, hereinafter referred to as applicant, seeks approval of the acquisition of the operating rights and authority granted to R&F Hobbies, Inc., dba Prince of the Road, in Certificate B-1441 which authorizes:

SERVICE AND TERRITORY AUTHORIZED: Transportation of passengers and their baggage by passenger van, and handicapped equipped passenger and cutaway van, and handicapped equipped passenger and cutaway vans between points in Nebraska over irregular routes. RESTRICTION: The transportation of railroad train crews and their baggage is not authorized. The transportation of passengers and their baggage point-to-point in Lancaster County is not authorized. The transportation services of passengers and their baggage originating within Lancaster County of groups of six (6) or less is not authorized.

In its application, applicant further requested that this Commission grant temporary approval to the applicant of a lease of the motor carrier properties and the certificate sought to be acquired by it. Notice of such request for temporary authority was published in The Daily Record, Omaha, Nebraska, on October 7, 2011, pursuant to the rules and regulations of this Commission.

It appears that failure to grant temporary approval may result in destruction of or injury to such motor carrier property and the certificate sought to be acquired, or interfere substantially with their future usefulness in the performance of adequate and continuous service to the public.

Such temporary approval should be granted for ninety (90) days from the effective date of this Order pursuant to Neb. Rev. Stat. (Reissue 2003), section 75-319.
