On January 5, 2012, an Application was filed by Millard Plaza Party Bus, LLC ("Applicant"), Omaha, seeking authority as a common carrier in Nebraska intrastate commerce in the transportation of passengers by bus in charter and special party between points in Nebraska over irregular routes. The transportation of railroad train crews and their luggage is not authorized. The Application was granted on July 17, 2012; however, Applicant never finalized its approval by filing the required fees, insurance and rates with the Commission. The Commission attempted to reach Applicant by mail and telephone.

On November 1, 2016, the Commission entered an order setting a deadline of November 14, 2016 for Applicant to take action regarding its Application. Applicant did not take action. Mail sent to the address on file was returned as undeliverable. Commission staff attempted to reach the office and were unable to do so. A search for the business indicated Applicant was affiliated with Millard Plaza Ballroom, which is permanently closed.

Based on the foregoing, the Commission is of the opinion and finds that Applicant has failed to comply with the requirements related to this application. Therefore, Application No. B-1805 should be dismissed for failure to take timely action.
