The Applicant is a certificated common carrier which holds Certificate B-1806, Supplement 1, which reads as follows:

The Applicant received authority to operate from the Commission under Certificate Number B-1806, Supplement 1 on March 6, 2012. The Applicant is establishing its rates for use in this certificate. The Applicant represents to the Commission that the proposed rates are based upon anticipated expenses in vehicle maintenance, fuel expenses, insurance premiums, advertising and other overhead charges.

The Commission finds that the rates as proposed are reasonable and should be approved. The rates are competitive and reasonable when compared to similar companies providing a similar service.

In applications such as these, the Commission must find that an emergency situation exists. Such a situation exists in this
