On June 26, 2012, Myers Luxury Coaches, Inc., Stuart, Nebraska, filed an application for authority to establish an hourly rate for its use in Nebraska intrastate commerce for the special party and charter transportation of passengers and their baggage between points in Nebraska by bus as follows:

<u>Description</u>	<u>Proposed</u>
Hourly Charge	\$130.00

Emergency action is requested.

Applicant is a carrier who holds Certificate No. B-1677, which allows for the transportation of passengers and their baggage as a common carrier in special party and charter service between points in the state of Nebraska by bus. RESTRICTIONS: (1) The transportation of railroad crews and their baggage is not authorized. (2) Regular route service between Chadron and Norfolk is not authorized; (3) Transportation for trips originating in Douglas, Lancaster and Sarpy counties is not authorized. HHS designation: No.

In support of this application, the Applicant states that the company has interest in its vehicles being rented on an hourly basis. The current rate structure does not allow for an hourly charge. The rates are stated to be reasonable for the type of equipment operated and the nature of the service provided by the applicant.

The proposed rates are similar and competitive with those rates authorized for use by other companies providing a similar service in its area. The Commission finds that these rates are reasonable. The Commission also finds that the rates should be approved on an emergency basis so that the Applicant can begin to use the proposed rates as soon as possible.
