Applicant is a certificated carrier which holds Certificate Number B-1831. The certificate authorizes the transportation of passengers by bus in charter and special party in Nebraska intrastate commerce between points in Lancaster, Saunders, Seward, Gage, Saline, and Platte counties, and between points within such counties, on the one hand, and on the other hand, points in Nebraska over irregular routes. RESTRICTION: The transportation of railroad train crews and their baggage is not authorized. HHS Designation: No.

The Applicant received authority to operate from the Commission under Certificate Number B-1831 on February 26, 2013. The Applicant is establishing its rates for use in this certificate. The Applicant represents to the Commission that the proposed rates are based upon anticipated expenses in vehicle maintenance, fuel expenses, insurance premiums, advertising and other overhead charges.

In applications such as these, the Commission must find that an emergency situation exists. Such a situation exists in this application as the Applicant cannot begin operations under its certificate as granted until the rates are approved. Therefore, the Commission finds that an emergency basis exists that allows the Commission to grant the Application on an emergency basis.
