### OPINION AND FINDINGS

On January 23, 2014, Executive Coach, LLC, Paxton, filed an application for authority to establish its rates as follows:

Description	Proposed
Per Day:	\$800
(24 hours or any portion thereof)	
Per Mile:	\$1.00

Emergency action is requested.

Applicant is a certificated carrier which holds Certificate Number B-1822. The certificate authorizes transportation of passengers by bus in charter and special party service between all points in Nebraska over irregular routes. RESTRICTION: The transportation of railroad train crews and their baggage is not authorized. HHS Designation: No.

The Applicant received authority to operate from the Commission under Certificate Number B-1822 on February 20, 2013. The Applicant is establishing its rates for use in this certificate. The Applicant represents to the Commission that the proposed rates are based upon anticipated expenses in vehicle maintenance, fuel expenses, insurance premiums, advertising and other overhead charges.

In applications such as these, the Commission must find that an emergency situation exists. Such a situation exists in this application as the Applicant cannot begin operations under its certificate as granted until the rates are approved. Therefore, the Commission finds that an emergency basis exists that allows the Commission to grant the application on an
