On February 16, 2016, Rockstar Transportation ("Applicant"), Omaha, filed an application for authority to establish its rates as follows:

<u>Description</u>	<u>Proposed</u>
Base Charge:	\$99/hour, 4 hour minimum
After 4 hours:	\$45/30 minutes
Weddings:	\$150/hour, 2 hour minimum
Mileage:	\$1.00/mile after 60 miles

Emergency action is requested.

Applicant is a certificated carrier that holds Certificate Number B-1947. The certificate authorizes the transportation of passengers by bus in special party and charter between points in Nebraska over irregular routes. The transportation of railroad train crews and their baggage is not authorized, and the HHS designation is no. The application for authority was granted on February 22, 2017.

Applicant is seeking to establish its initial rates for use with its Certificate. The Commission finds that the proposed rates are reasonable.

In applications such as these, the Commission must find that an emergency situation exists. Such a situation exists in this application as Applicant cannot begin operations until the Commission approves the application. Therefore, the Commission finds that an emergency basis exists that allows the Commission to grant the application on an emergency basis.

Upon consideration of the application and being fully advised in the premises, the Commission is of the opinion and finds that the application should be granted on an emergency basis effective February 22, 2017.
