On April 23, 2018, Papio Transport Service, Inc. ("Applicant"), Papillion, filed an application for authority to amend its rates as follows:

<u>Description</u>	<u>Proposed</u>
Non-Emergency Stretcher Service	\$200.00
Stretcher Service Wait Time	\$80.00/hour
Stretcher Service Mileage Charge	#3.00/loaded mile

Emergency action is requested.

Applicant is a certificated carrier that holds Certificate No. B-1733. The certificate authorizes the transportation of passengers and their baggage in open class service between points in Douglas and Sarpy counties, and between points in Douglas and Sarpy counties, on the one hand, and, on the other hand, points in Washington, Dodge, Cass, Saunders and Otoe Counties. The transportation of railroad train crews and their baggage is not authorized, and the HHS Designation is yes. The supplemental Certificate was granted on April 28, 2015.

Applicant is seeking to amend its current rates by adding rates to accommodate non-emergency stretcher services. This rate would only apply for those individuals bound in a stretcher, and the transportation would require attendants to assist with the transportation of that individual. All other rates approved in its June 6, 2017 rate order remain unchanged<sup>1</sup>. The Commission finds that the proposed rates are reasonable.
