On August 17, 2018, Transition-n-More, Omaha, Nebraska, filed an application for authority to establish its rates. On December 27, 2018, Transition-n-More notified the Motor Transportation Department that it was unable to obtain the necessary insurance. The underlying Application for authority was dismissed on January 8, 2019. Without the underlying Application for service, the Commission cannot consider Transition-n-More's Rate Application.
