O P I N I O N A N D F I N D I N G S

Applicant is a certificated carrier which holds Certificate Number B-1870, Supplement 1. The certificate authorizes the transportation of passengers by limousine service between points in and within a 200-mile radius of Hastings over irregular routes. RESTRICTION: The transportation of railroad train crews and their baggage is not authorized. Transportation of passengers originating in Buffalo County, Nebraska, is not authorized. HHS Designation: No.

The Applicant received authority to operate from the Commission under Certificate Number B-1870, Supplement 1, on July 29, 2014. The Applicant is establishing its rates for use in this certificate. The Applicant represents to the Commission that the proposed rates are based upon anticipated expenses in vehicle maintenance, fuel expenses, insurance premiums, advertising and other overhead charges.

In applications such as these, the Commission must find that an emergency situation exists. Such a situation exists in this application as the Applicant cannot begin operations under its certificate as granted until the rates are approved. Therefore, the Commission finds that an emergency basis exists that allows the Commission to grant the Application on an emergency basis. The Commission further finds that the proposed rates are reasonable.

Upon consideration of the application and being fully advised in the premises, the Commission is of the opinion and finds that the application should be granted on an emergency basis effective August 1, 2014.
