BY THE COMMISSION:

OPINIONS AND FINDINGS

On May 15, 1991, Distribution, Inc., Lincoln, Nebraska, hereinafter referred to as applicant, was issued a Certificate of Public Convenience and Necessity in Application M-11398. An order was entered, at applicant's request, on April 9, 1996, suspending applicant's certificate until April 1, 1997. Applicant was informed that its authority is no longer in suspension and that it must make full compliance with the Commission's rules and regulations.

As of April 10, 1997, applicant is still not in full compliance with the Commission's rules and regulations; to wit: No Form E insurance filing has been made and no annual fees have been paid.

After due consideration of the circumstances, the Commission finds that applicant should be ordered to show cause on or before May 8, 1997, why its certificate should not be revoked for its failure to comply with the Motor Carrier Rules of the Commission.
